

Dear

Thank you for your interest in the BNIT classes in horticulture on Tuesday evenings from 5.30pm – 9.00pm at the Grovely Campus, located at Fitzsimmons Street, Grovely 4054.

Organic Gardening

The classes that cover **organic gardening** (including soils, composting, worm farming, planting and growing annuals and vegetables) are:

RTF2504A Determine Properties of Soil and **RTF2014A Prepare and Maintain Plant Displays**. These classes run for nine evenings. You should expect to engage in some moderate physical activity (we learn by doing). If you are interested in these topics you should enrol in both of these units. The full fee price for these units is \$84.00 plus a \$37.00 library use/administration fee valid for twelve months or \$40.80 for concession card holders plus a \$37.00 library use/administration fee valid for twelve months.

Growing Plants from Seeds and Cuttings

The classes that cover **propagating plants from seeds and cuttings** (including seed harvesting and saving, seed sowing, propagating plants by soft tip, semi hard wood and hard wood cuttings, as well as aerial layering, leaf cutting and potting) are:

RTF2024A Tend Nursery Plants and **RTC2026A Undertake Propagation Activity**. These classes run for nine evenings in the Grovely nursery facility. These units also adopt a hands on approach. If you are interested in these topics you should enrol in both of these units. The full fee prices for these units is \$113.50 plus a \$37.00 library use/administration fee valid for twelve months or \$55.00 for concession card holders plus a \$37.00 library use/administration fee valid for twelve months.
